CHAP
International Inc.

Liberia is a war torn nation in West Africa. The war stemmed from tribal conflicts that go back decades, mainly between the freed American slaves that settled in the area and the native tribal groups. The civil war broke out in 1989 and lasted until early 2004. Due to this war and disease there are thousands of orphans. CHAP International has a vision and a passion to reach the small, overlooked orphanages of Liberia.

how you can help

For \$30 per month you can clothe, feed, educate, house, medicate and evangelize one orphan. Within four months from us receiving your sponsorship request, along with your first month's payment, you will receive a picture and name of the child you are sponsoring. CHAP will send you updates and pictures semi-annually.
